## Public Comment

No Public present.

## Budget Committee Recap

The budget and audit committees met on October 9<sup>th</sup>. They were able to get through the income side of the budget. The committees will be meeting again before the November meeting to finish the budget. They will give a full report at the November meeting.

## Winter Basketball

This year the high school coaches will be hosting a K-8<sup>th</sup> grade basketball clinic. WAYA will be willing to help with Great Northwest League needs if approached.

## Dairyland League Update

The idea of a new league was presented to surrounding communities. There were several communities that had questions. Most communities have decided to stay with the Dairyland League for the upcoming season. WAYA has decided to join the surrounding communities and stay with the Dairyland League as well. WAYA will be hosting the Tee Ball and 8U scheduling day. This day will be April 26<sup>th</sup> held at Whitehall Memorial Schools. At the scheduling day WAYA will be reviewing the rules for 8U. Registration for baseball/softball will run from December 16<sup>th</sup> to February 10<sup>th</sup>.

## Other

WAYA will not be participating in the upcoming Trunk or Treat held in Whitehall due to limited time.

WAYA has been approached from a few parents of the younger children with the idea of starting a 1<sup>st</sup> and 2<sup>nd</sup> grade flag football league next year. These parents state they would be willing to help with this age group.

WAYA has decided to possibly start the volleyball season earlier (August) to be in the same rotation as many of the surrounding schools

The idea of getting our treasure a computer for keeping track of everything was discussed. This would help when changing hands of treasurers to keep all documentation on the same programs. This will also make it an easier transition for that new treasure.

Next meeting will be Sunday November 13<sup>th</sup> at 6:00pm at Whitehall Memorial Schools.
