Thank you for considering a sponsorship with Rocky Mountain High School Boys Lacrosse Club (RMHSBLC). Boys lacrosse is not sanctioned in Idaho. The Club relies on corporate sponsorship, fundraising, and donations to maintain the costs associated with a lacrosse club.

The costs include field and maintenance fees for use during practices and games, lacrosse equipment and storage of equipment, additional uniforms, coaches for our expanding program, referees, and required travel costs required by the Idaho High School Lacrosse League.

*The Club is a registered 501(c)(3) public charity. All donations are deductible under IRC Rule 170.*
