Grand Forks Youth Hockey will be offering a 3 on 3 Fall league for Bantams

Why 3 on 3?

The one area that kids fail to have success at the next level is because of lack of creativity or not consistently being able to make a play. 3 on 3 cross-ice is an excellent way to help develop this. (Outdoor ice or roller hockey also) Make plays in tight areas, creating 2-1's all over the ice, being creative and not worrying about making a mistake. This is an area where all of GFYHA can make improvements. Skating, stick handling, and shooting are all important aspects of development and we all do a good job of this. Having fun, being creative and making plays makes the difference between a good player and a dominating player.

48 skaters will be the max number at each level

6 teams 8 skaters per group.

Sign up based on level for the 2020/2021 season.
