

WRESTLING

1. RULES:

For high school wrestling in Saskatchewan, Wrestling Canada Lutte Rules as published on Dec. 1 of the current season will be followed with the following SHSAA modifications.

2. DRESS:

At Regional and Provincial wrestling competitions, all participants must present themselves for competition clothed as follows:

- a) All competitors must wear a wrestling singlet.
- b) All competitors must have a red/blue reversible singlet, or individual singlets of red and blue. (Wrestling singlets in school colors are acceptable. Club singlets are not acceptable and will not be worn for high school competitions.)
- c) Competitors must wear supple shoes with no heels, buckles or metal attachments. Wrestling boots are strongly recommended.
- d) Long hair must be worn tied back with an elastic or ribbon, with no metal attachments.
- e) Wearing any jewellery is forbidden; broaches, earrings, necklaces, rings, bracelets, or any metal or rigid object.
- f) Any wrestler wearing braces on their teeth, must wear a mouth guard.

3. SKIN INSPECTION:

- a) At regional and provincial wrestling events, the on-site medical personnel must examine all competitors before wrestling.
- b) The on-site medical personnel will conduct all skin inspections. Any wrestler with ringworm or any contagious skin ailment will be ruled ineligible to participate in the competition.
- c) The decision of the on-site medical personnel will be final with regard to the athlete's participation in the event.

4. WEIGH-INS:

- a) All competitors are weighed in their wrestling attire, with bare feet.
- b) A 200-gram reduction in the weight will be allowed as the weight of the wrestling uniform.

5. ILLEGAL HOLDS:

- a) A ring nelson from any position is an illegal hold (full or $\frac{3}{4}$ nelson).
- b) A back supple is an illegal hold.
- c) The West Point or any of its variations is an illegal hold.
- d) The high amplitude throw no longer is awarded 5 points; is now awarded 4 points.

6. THE COACH:

- a) The coach that sits in the athletes' corner is required to shake the hand of the opponent at the conclusion of the match. Only one coach will be allowed in the corner during a match.
- b) The coach must remain seated in the appropriate corner at the edge of the mat during the bout except during the 30-second break between rounds. The coach may leave their seat to tend to an injured or bleeding athlete on the wrestling mat.

- c) The coach may encourage the wrestler and give instructions; however, the coach will not indicate points with hands nor attempt to influence the referee's judgment by shouting phrases or using signals utilized by officials.
- d) The coach is not allowed to speak to the referee, judge or the other athlete or coach during the match. When the challenge process is not in effect, the coach may request an explanation from the mat chairperson, regarding a specific call, at an appropriate break in the action. The coach is not entitled to express their opinion on the call nor request an official's conference. When the mat chairperson calls a conference, the coaches shall refrain from approaching the table or attempting to influence the outcome of the conference.
- e) The coach is not allowed to direct verbal abuse to the referees during or after the match.
- f) The coach may come onto the wrestling surface, when invited by the referee, to tend to an injured or bleeding athlete.
- g) If the coach behaves in an unacceptable fashion, the mat chairperson is required to give the coach a yellow card. If the offence continues in the same match, the coach will be given a red card and ordered to leave the corner and go into the stands for the duration of the match. The coach will not be allowed to continue to function as a coach until the head official has met with the officiating team for that match and determined the severity of the infraction. The head official will make a decision to either let the coach resume their duties or disallow the coach from their duties for the duration of the tournament. If a red card is issued a report must be filed by the official and the host school to the SHSAA office, regardless of the head official's decision whether to allow the coach to return, or not. This is a requirement set out in the SHSAA Bylaws anytime a coach is ejected from an interschool contest. (See SHSAA Bylaws, Ejection of a Coach from a Contest, page 50 of the handbook).
- h) Coaches that continue to direct verbal abuse from the stands will be required to leave the competition hall for the duration of the tournament.
- i) If the coach is eliminated, the contest will be forfeited if there is not another approved coach or supervisor present to supervise the team. (See SHSAA Bylaws, Coaches and Supervisors, page 39 of the handbook).

NOTE: The yellow / red card system is for the behavioral control of the coaches during a specific match situation. It is not to be used for penalizing a coach for his athlete's behavior, or for the behavior of spectators in the stands. Extreme behavior may result in the coach being removed from the tournament and may not necessitate a card being used.

NOTE: The head official and the host school for any interschool contest shall file incident reports where an individual (coach, wrestler) is ejected. Reports MUST be filed with the SHSAA office and/or District commissioner and include information regarding the incident and the decision to eliminate the individual from the competition.

7. JURY OF APPEAL:

At the Regional and Provincial Tournaments, a "Jury of Appeal" to settle "on the spot" disputes will include the SHSAA Representative, the head referee and the tournament commissioner. They may call on other individuals to assist with a decision.

The "Challenge" process as outlined in the Wrestling Canada Lutte Rulebook will be in use. The use of on-mat video will be utilized if made available by the committee responsible for hosting the event on behalf of the SHSAA.

8. LENGTH OF MATCH:

Each match will consist of two 3-minute rounds.

9. COACH-IN-CORNER:

At Regional and Provincial wrestling events, no match will start until such time as a coach is available for the athlete's corner. The minimum time between bouts for any competitor shall be 15 minutes.

- c) It should be noted that rotation of the draw for the weight class designations will take place annually (see below). This should alleviate any perceived advantage in a pool for any district over a period of time.

Note: Wrestlers receiving byes should be placed so they would meet in the semi-finals. The rest of the wrestlers should be placed at random by a lot number in their respective halves of the draw.

The draw master will be asked to even out the brackets to avoid unbalanced draws in weight classes without a full contingent by moving only the #3 and/or #4 wrestlers from whichever district team of the three (Saskatoon, Regina or Rural) are in the bracket. (i.e. each pool shall have as close to the same number of competitors and each bracket shall have a number 1 wrestler).
