

# PWSI Recreational Return-to-Play Financial Scenarios

## OVERVIEW

Prince William Soccer recognizes the uncertainty surrounding youth sports. In conjunction with our Return-to-Play Plan, we have proactively established these Financial Scenarios to provide clarity to our membership and help guide our decisions.

PWSI is committed to balancing its financial commitments (e.g. fees already paid) to services provided.

Each scenario is based on the phases outlined below and will be prorated for the period in which we are in that phase on or after September 1, 2020.
