

**Northfield Youth Baseball Association  
Board of Directors Meeting  
May 22, 2022 at 7:00 pm  
at Granite Equities Offices**

**Financials**

Registration income is now combined in the budget sheet due to lack of information in the banking report - we can look at Sportsengine for a more detailed breakdown

Income inline with 2021; expenses are also inline with 2021

\$50,000 anonymous gift was received for field projects

Dartball -

75-80 people attended

Fun, new event - everyone enjoyed it

Plans in the works for next year and changes/improvements to make

Net profit of \$10,200!

Sponsorships of \$4800 helped to largely cover expenses

Huge thank you to the committee of Megan Kraby, Jill Metz, Stacy Argabright and Kathe Vrieze

**In-House**

Season is up and running

264 overall enrollment; of that number there were 34 late registrations which were allowed this year by ordering a few extra jerseys at each level with the overall order, also with number concerns it was thought that we should not turn anyone away despite the extra work this creates for the committee

Uniforms have been distributed

**Travel**

Season is underway; some teams already have had 2 tournaments

15U tryouts happened last weekend

DIBS are in the system

SMCBL - Discussion on where this league falls within our association

It was decided that the Travel committee will manage this group going forward. We will make the registration go through only Travel next year to help with logistics

Travel group will find a coordinator or decide who can take on the tasks.

Raider Classic -

June 17-19

Almost full registration - only 2 spots remain

Field prep - plan to hire high school baseball players to help throughout the weekend

Concessions will be at Sechler main park and the pavilion by the softball fields - we will not have outlet sites this year

Play will be back at the colleges for the older age groups so we will not have to use the Middle School field this year.

**Other**

Concession license has been received. It took a bit longer due to a new clerk with the city. Will be opening in the next week or so. Still looking for additional staff for the summer.

Daniel will investigate a discussion that happened at the city counsel meeting regarding Sechler park and the relationship with/contributions by NYBA.

Open roles -

Travel Director 2023

Tournament Director (Classic) 2023

Coaching Manager 2023

Uniform Coordinator 2023
