

## Sports Engine Enrollment Step by Step

Step 1: Once you have created your account or signed in to an existing account, you will have the option as to which players you wish to add to the Pendleton Football Program or add additional players to your household as shown in the picture below. Press Continue to proceed.

The screenshot shows the 'Pendleton Football' sign-up page. The left sidebar contains a progress list: 'Welcome' (checked), 'Who Are You Registering?' (selected), 'Player & Parent/Guardian Information', 'Review', and 'Confirmation'. The main content area is titled 'Who Are You Registering?' and asks 'Select the person you are registering'. It features five radio button options: 'Test Person (self)', 'Test Kid 1 (other)' (which is selected), 'Test Kid Three (other)', 'Test Kid Four (other)', and 'A New Person'. A green 'Continue' button is located at the bottom right.

Step 2: Next you will need to enter both Player and Guardian information. Press Continue to proceed.

The screenshot shows the 'Player & Parent/Guardian Information' page. The left sidebar shows the progress: 'Welcome' (checked), 'Who Are You Registering?' (checked), and 'Player & Parent/Guardian Information' (selected). The main content area shows 'Currently Registering: Test Kid 1'. Under 'Grade: \*', there is a dropdown menu set to '1st'. Below this, the 'Player Information' section includes fields for 'First Name: \*' (containing 'Test Kid'), 'Last Name: \*' (containing '1'), 'Middle Initial:', and 'Date of Birth: \*' (with dropdowns for 'July', '2', and '2018'). To the right, there are fields for 'Address:', 'Address 2:', 'City:', and 'State / Province:' (with a 'Make a Selection' dropdown).

Step 3: If you only have 1 player in all levels of Pendleton Football, from here you can Complete the Registration, if you have more than 1 player, repeat steps 1 and 2 for each player in your household. You do not need to register parent profiles; they will come over with your player. From here, your players assigned coaches will begin to add them to the rosters, schedule games, practices, and chat in the Sports Engine app.
