

JOIN US FOR A USA SOFTBALL CADET UMPIRE CLINIC!

Lakeville Fastpitch, in partnership with Rosemount, Farmington and Eastview, is excited to announce that we have teamed up with Laurie Dineen to host a FREE umpire training clinic for players ages 12 to 18 who are interested in umpiring. Laurie will be providing instruction on mechanics, rules, positioning, timing and many other aspects involved when umpiring. Laurie has umpired for 18 years and is an NCAA and elite USA umpire currently teaching and training Minnesota State High School League umpires. She also umpires D3 College softball games and is the City of St. Paul's assignor of umpires.
