

# THE GAME-PLAN

for your **wrestling future!**

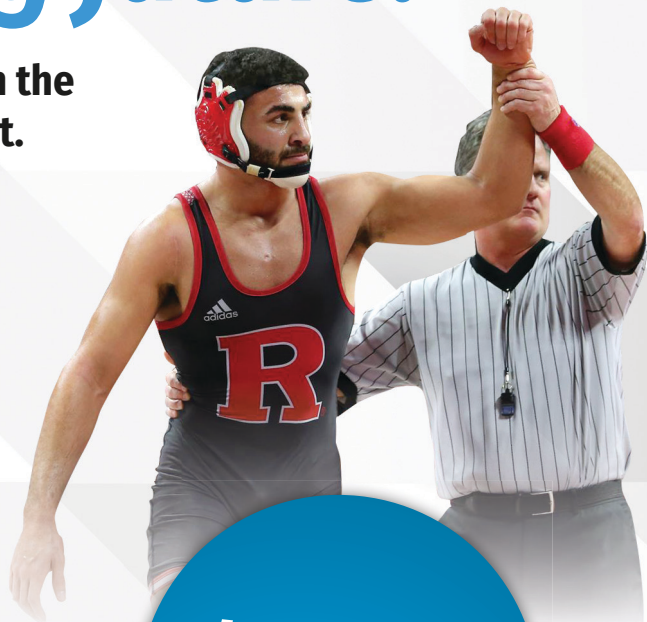

The only step-by-step system for wrestlers to win the recruiting process and to find their best college fit.

The **Recruiting Accelerator** is an individualized educational platform that prepares, equips, and empowers wrestlers to win the **college recruiting and admissions process** through a proven **8-week transformative program**.

Tanner's step-by-step system has helped **hundreds of wrestlers** around the country find their best college fit athletically, academically, and financially. The college decision is the **most important decision** a high school wrestler will make – gambling with it could limit your opportunities and cost you thousands. Schedule a **complimentary breakthrough call** with Tanner and learn how the Recruiting Accelerator can maximize your knowledge, value, and opportunities.

#### Services include but are not limited to...

- Curate a target list of schools based on key "fit variables"
- Create an evidence-based marketing portfolio
- Plan & execute a communications plan with coaches & admissions
- Develop a strategy for admissions
- Financial aid assistance
- And much more!
