

HAWK Scrip

The SCRIP program offers our HAWK families a way in reducing their hockey bill. More information about the details of how the SCRIP program works in general can be found on their website: www.shopwithscrip.com.

- **Registration:** To participate in SCRIP the first thing you will need to do is to register. To register, go to the www.shopwithscrip.com website. Click on **Get Started** in the toolbar. Then click **Register** in the listing on the left of the screen. You will need the following information to complete your registration:

- Organization Name: HAWK Hockey/Walker, MI

- Enrollment Code: 7A5E3DD14575

- **Schedule:** During the summer, the Scrip order will be placed weekly provided the total combined rebate for all orders is greater than \$15. If the rebate amount for the entire weekly order is not large enough, your order will be held for the next weekly order. Your orders must be placed before noon on Sunday for it to be included in the weekly order.

- **Ordering:** Orders are to be placed on-line at www.shopwithscrip.com **before noon on Sunday** for all physical cards (You must be registered before you can place an order.)

- **Payment:** Your order will *not* be processed until payment is received.

- **Presto-Pay:** You can pay for your Scrip order at the time of ordering by using Presto-Pay. Scrip will withdraw the entire payment directly from your bank account along with a small surcharge of 15¢ per order within 24 hours of you placing your order. This is mainly when ordering on site at a store/restaurant (When you register for Presto-Pay it will take 2 to 3 days before the Presto-Pay option becomes active.)

Myscripwallet.com: Will give you only the options for placing an order that you can utilize instantly. You need to have signed up with Presto-Pay for this option to be available. You can still access the retailers through shopwithscrip.com, but wallet makes it easier and cleaner.

- **Order Pick-up:** Completed Scrip orders will be available for pick-up Thursday evening after 7:00 pm at the front counter at WIFC. You will be required to show picture ID and to validate your order when it is picked up. Your order will be released to the name on the SCRIP registration. If there are additional persons that are authorized to pick-up your order, you can add them to the SCRIP registration or send an email to the HAWK SCRIP Coordinator at hawkscrip@yahoo.com. (The Scrip order may be delivered to the rink as early as Tuesday evening, check with the front desk for possible early delivery.)

- **Rebates:** Rebates earned will be applied to your hockey bill at the following:

- Summer rebates will be applied to your bills in September.

- Rebates earned during the hockey season will be applied to your hockey bill monthly.

- **Questions:**

Call: Nicci 616-318-7670
