

Rules for All Divisions:

1. The only acceptable reasons for game reschedule are rainout / field closure, and umpire availability.
 - a. If a team is short on players, they may borrow players from other teams. Borrowed players must be registered and active players for D3 Little League in the current season. Borrowed players must be placed at the bottom of the batting order. Borrowed players must meet the age requirements.
 - i. Borrowed players must wear the jersey of their primary team while playing for another team so that they can be easily identified.
 - ii. Borrowed players are not allowed to play pitcher or catcher for the team they are subbing for.
 - iii. Borrowed players can be borrowed from older leagues only if that player is age eligible for the league they are being borrowed in.
 - b. **For Rookies, Minors and Majors league only** - a borrowed player may only play outfield positions. This rule is to be monitored / tracked by the coaches, not the umpire. There shouldn't be a question about this, and it shouldn't need to be challenged. The rule is clear here; it has been modified based on collective feedback across all leagues from past seasons; this is why we are all agreeing to adjust it.
 - i. **If there are only eight (8) players and/or not enough players to fill the infield (injury or not enough players) then one (1) of the borrowed players may play the infield and be rotated with the other borrowed players to fill the missing infield position.**
 1. A borrowed player may play an infield position three (3) different innings per game only - e.g., a borrowed player can only play shortstop for one (1) inning, second base for one (1) inning, third base for one (1) inning or first base for one (1) inning.) This means they can play 3 of the 4 infield positions of the coach's choice. If the game goes beyond three (3) innings and the borrowed player has exhausted all infield positions, the borrowed player must play in the outfield for the remainder of the game.
 2. If a regularly rostered team player arrives late, then they play the infield and the borrowed moves to the outfield and remain in the outfield. A borrowed player may play an infield position 3 different innings per game only. (E.g., a borrowed player can only play shortstop for one (1) inning, second base for one (1) inning or third base for one (1) inning) So that means they can play three (3) of the four (4) infield positions of the coach's choice. If the game goes beyond three (3) innings and the borrowed player has exhausted all infield positions, the borrowed player must play in the outfield for the remainder of the game.
2. Rookies and Minors – During the regular season teams may borrow up to three (3) players to get to 10 players max.
3. Rookies and Minors – During the post season or playoffs teams may borrow up to two (2) players in to get to 10 total players
4. Majors and Juniors/Seniors – During the regular season teams may borrow up to three (3) players to get to nine (9) players total.
5. Majors and Juniors/Seniors – During the postseason or playoffs teams may borrow up to two (2) players to get to nine (9).

Teams need at least eight (8) players to start a game.
