1. Call to Order -8:50

2. Special Business

- 2.1. U12 Girls - Carrie K advises there is no intermediate size field available at Tillsonburg Soccer Club on Mondays - options are to shift to Gyulveszi or to shift to Sunday evening games. Carrie will send in the request to shift to Sundays at due to lack of fields.
- 2.2. U8 Refs - Mike advises there is an option to not having refs for U8 home games if Sandro is there and prepared to be a game leader. This will save \$25/game. There are 6 home games so total savings would be \$150. Decision is to leave as is and book referees as the cost has been paid for, it sets the right tone for a competitive club and gives some good opportunities for new refs to get game experience. If there is a game where no refs are available, then this option may be used.

3. Next Meeting

- 3.1. Scheduled for May 25, 2022

4. Adjournment - 9:45
