SPORTSMANSHIP

The philosophy of SCMAF is to instill in young people a positive attitude, good sportsmanship, sound fundamentals, confidence, and high moral standards.

The coaches representing these agencies and Associations are responsible to coach in a respectable manner while on and off the playing area. All coaches will play all players unless sick or injured. Coaches will preserve all safety precautions in order to secure the well being of all participants.

In order to prove good sports are winners, at the conclusion of each game, site supervisors, officials, and scorers will rate each team in three areas of sportsmanship: the Players, the Coaches, and the Fans. Each group can receive a maximum of four points. At the end of the tournament, teams with the highest average will be given a sportsmanship certificate for each player.
