

## **Dickinson Mustang Baseball - DSU Indoor Facility**

The DSU Facility has been opened for our use and the schedule for November - March has been completed. Mustang Baseball is welcome to start using the Sanford Facility following the guidelines below.

They are still finishing up construction of the repairs of the sewer pipe and should be completed by November 10<sup>th</sup>. They will be tearing up the floors from right inside the door to just beyond the bathroom doors. They will be laying down plywood over the pipes so access can still be gained to the Sanford facility. The bathrooms will be closed during the repairs.

Please see the attached schedule for our assigned time slots. To reserve a time slot please call or text Jacob Thompson at (970) 685-7608.

### **Guidelines:**

1. Masks must be worn at all times while in the facility. If DSU starts to get complaints about masks not being worn or concerns on the number of people inside the facility, then DSU will reach out to the clubs.
