## LIABILITY RELEASE FOR MATCH OFFICIALS UNDERTAKING FITNESS TEST

There is potential risk for injury involved in training and participating in any sport. Ontario Soccer has tried to create a safe and controlled environment for safe participation.

As part of the qualifying criteria with respect to acting as a Match Official in games or other activities under the jurisdiction of Ontario Soccer, potential Match Officials may be required to undergo certain physical testing. Tests which might be applied are undertaken as per the directives and requirements of Canada Soccer.

The tests are applied under the supervision of Ontario Soccer Accredited Fitness Test Supervisors.

I hereby accept and acknowledge that participation in such physical testing could be dangerous and therefore I should not participate in such testing if I am aware that it may create a risk to my health and/or I should discontinue any such testing if I have any concern that carrying on will create a risk to my health.

I understand, have considered and evaluated the nature, scope, and extent of the risks involved, and I voluntarily and freely choose to assume these risks. I will not hold Ontario Soccer liable for any injury or medical problem encountered due to performing the test.
