

Dana Hills High School Protocol

1. Go to our website:
www.southcoastfamilymedicalcenter.com and click the gray button that says “check in on-line.”

2. Fill out your child’s information accurately. When it comes to “reason for visit,” please select “Dana Hills sports physical.”

3. We will then text the number you put in the “reserve your spot” check in screen. Once you receive this text, you are free to come in any time that day. You will not lose your spot.

You are also able to walk in and check in directly at our office. We are trying to minimize the number of patients in our waiting room by encouraging the on-line check in process.

Below are the measures South Coast Family is taking to minimize the risk for you and your family:

- Waiting room chairs are cleaned frequently throughout the day
- Each patient room is cleaned after every patient.
- Every one, including staff, patients and doctors, are required to wear a mask or face covering to protect against asymptomatic carriers of COVID19.
- No more than one adult will be allowed into the office with your minor.

The cost for your child’s sports physical is \$40 and South Coast Family Medical Center will be donating 50% of the proceeds back to the Dana Hills Athletic Program. Please be safe and stay well.

Go Dolphins!
