

Job Type: Archery Assistant / Precision Shooting Assistant

Positions Available: multiple

Duration: 6-8 weeks, 1 time per week in fall / spring

Location: Anchorage, Alaska

Organization: Challenge Alaska

Description: to assist archers and shooters as needed and give feedback on ways to improve accuracy. (Note that archers shoot compound bows and shooters use high-precision infrared pistols and rifles).

**Key responsibilities and accountabilities:**

1. Ability to attend pre-session training, learn basic shooting technique and provide feedback to archers and shooters to improve form and consistency.
2. Ability to model form and techniques to demonstrate as needed.
3. Ability to follow all range safety protocols, follow all directions of range master.
4. Ability to move from shooter to shooter and provide positive, consistent feedback.
5. Ability to assist with arrow retrieval.
6. Willing and able to assist with range set up / tear down.
