

Laura Moore - Administrator

I am writing to express my interest in running for SYHA Administrator. I have had the privilege of serving in this role over the past season, and I am eager to continue contributing in a greater capacity by becoming more involved in board-level decisions and the future growth of our association.

Over the years, I have been actively involved in SYHA through service on several committees, including Scholarship, Nominating, and R&D. These experiences have given me a broader understanding of our organization and the many moving parts that help make SYHA successful. I am committed to ensuring that our association continues to grow and thrive so that every child in our area who wants to play hockey has a positive and supportive place to do so.

My family has proudly been part of the SYHA community for the past nine seasons, and as a parent of a high school hockey player, I understand firsthand the impact this organization has on our athletes and families. Professionally, I work full-time as a customer service representative for Cardinal Health, where strong communication, organization, and collaboration skills are essential. I look forward to bringing those skills to the board to help support thoughtful decision-making and continued progress.

I would be honored to continue serving our players and families in this role and appreciate your consideration.

Thank you,

Laura Moore
