Narrative:

Team Indiana's Junior Women battled through a tough national field, finishing 12th out of 44 teams in freestyle—our highest placement since 2022—and placing in the top 12 in Greco. The 2025 squad featured six returning Fargo All-Americans and nine nationally ranked athletes, showcasing one of the most competitive lineups Indiana has fielded. Heather Crull and Kendall Moe each went a perfect 8–0 in freestyle, earning spots on the prestigious All-Duals Team. Crull and Naima Ghaffar also posted perfect 4–0 records in Greco. With grit, determination, and a strong sense of team, this group proved Indiana belongs among the nation's elite and that the future of Hoosier women's wrestling is bright.
