Squirt youth hockey hub, non-sanctioned MN Hockey or USA Hockey – if you have any team playing in this tournament, hopefully they are not under your umbrella or they will not be able to play in D3 tournament at end of year, It will put you over your 35 game limit. Their could also be other ramifications for the teams. We will be contacting those teams.

Don't have as many teams going to state this year. Bantam AA, B1, U14A, Jr Gold B, Pee wee AA. We will only have 1 squirt A team next year – we are losing players to MN Made. We will re-evaluate every year. Looking at Mite Program maybe change things around. Putting effort on recruiting looking at all teams and how they did, looking a quality of games compared to other districts.
