### **“GCT COVID-19 Player Return Policy”**

With the safety of all our players, coaches, parents, and staff as our number one priority, the Gulf Coast Texans has implemented the following COVID-19 Player Return Policy:

- Player Tested Positive – Must quarantine for 10 days (from test date, or from date positive results received) and may return on the 11<sup>th</sup> day (from positive test) if showing no symptoms (in last 24 hours). If player is showing any symptoms beyond the 10<sup>th</sup> day, he/she must continue to quarantine and may return when symptoms have subsided for 24 hours without the use of medication.
- Player Directly/Positively Exposed – Must quarantine for 10 days and symptoms must be monitored, may return on the 11<sup>th</sup> day if no symptoms were experienced. Player may return before the 10-day window if tested and has a negative result.
- Player Potentially Exposed – Player is to be monitored for symptoms. Parents will be asked to use the best and safest determination on whether they may be attending soccer events depending on level of exposure.

In any of the above cases, a mandatory reporting to the Club is required (email [president@gulfcoasttexans.com](mailto:president@gulfcoasttexans.com)). Ultimately, the best practice is the safest practice. It is not worth compromising an entire group/team (potentially creating a COVID outbreak) when quarantining for 10 days was the best and safest option for one player.

More information regarding the Gulf Coast Texans COVID-19 updates, visit our website or [\*\*CLICK HERE\*\*](#).

The health of our members is very important to us!

Sincerely,

*Alain Espinosa*
