RAHA Board Member Responsibilities

The RAHA Board is a working board. The success of RAHA is incumbent on Board members committing to attending board meetings, serving on committees, and doing work outside of board meetings. Board members are required to serve on and actively participate on multiple committees, in addition to their position on the board. Board members also are required to attend 20 of the 24 monthly meetings during your two-year term, including the tryout meetings in October, as well as regularly attend assigned committee meetings. In addition, board members will be required to use MS Word, Excel and Powerpoint in their positions and be able to use email. And have fun!

Please describe your hockey background and experience:

I grew up in a hockey family, with an older brother who played and a dad who coached. I started playing hockey in 7th grade and played on the Varsity team in 8th-12th grades, including playing in the 1st every Girls State High School Hockey Tournament. I also coached 12u girls hockey for one year while I was in college in Duluth. I strongly believe in building on the fundamentals and having fun on the ice.

Please explain why you wish to become a RAHA Board member:

I love being involved in the hockey community and having a positive impact on a sport that my family loves. I know a lot of work and effort goes into having a great hockey community, I wish to be a part of that.

What specific talents/skills would you bring to the RAHA Board?

I am highly organized and skilled at communication. I work in advertising, where my job is to bridge communication between my internal team and our clients. I am resourceful and dig in to find solutions to problems that arise. I'm detail-oriented and understand financial reconciliation. I'm highly skilled in spreadsheets, power points, and word documents.

Which RAHA Board Position/Committees would you like to get involved with (Equipment, Goalie Coord, Age Level Coord, Operations, Finance, Fundraising, etc)?

Without fully understanding what each of these position/committees actually do, I would be most interested in Operations or Age Level Coordinator. I could be open to other areas, if I had a better understanding of the responsibilities involved.

Please describe your past experience (volunteer, manager, coach, etc.) within the RAHA: I have been a team manager for 3 years in the IP (Termites and Mini Mites). My husband has also been an assistant coach each of those years.

Please describe other board experience, youth program experience, or areas of community involvement:

I was an assistant coach for the Duluth U12 girls team in college.

Please identify any potential areas that may be a conflict of interest with any business or other association you may be associated with and your duties as a RAHA Board member:

No known issues.

Other information you'd like the RAHA Board to consider in reviewing your application:

I'm a hard worker, learn quickly, and play well with others. I am also adept at keeping notes and following-up on details. I am interested in joining the RAHA Board to support our youth development and sense of community.
