

## Week 6 Update

### **Squirt White – Sarah Miller**

Squirt White traveled to Fergus Falls on Sunday to face the Otters in their home rink. The team skated hard and put forth a great effort. Fergus Falls put up 4 goals in the first period and 4 in the second. During the final moments of the second period goalie Emory Knutson was pulled to put an extra attacker on the ice for the Angels. Though they didn't score on that play the Angels held the Otters to a 0-0 third period to end the game with a final score of 0-8 in favor of the Otters.

### **Squirt Red – Brady Butenhoff**

With only one game this weekend, Squirt Red hosted West Fargo Yellow at Angels arena on Sunday afternoon.

Period one started out with back and forth action. For 15 minutes, no one was able to get a puck past either goalie.

Period 2 saw a lot of scoring. Eli Emineth scored the game's first goal :45 seconds into the period. He would tally his second just over a minute later. WF would answer, cutting the lead to 2-1. ### **PeeWee Red – Jeremy Elbert**

Fargo Angels vs. Dickinson

With no game on Friday, PeeWee Red took the ice late in the afternoon Saturday with a league game against Dickinson. The extra day of rest must have been helpful, as the Red opened up the scoring in the first period. Gus Elbert scored unassisted within the first 1:30, followed by Christian Storey at the 3:39 mark. Dickinson found their only period one goal a minute later. Storey found the net again, assisted by Lord and Hale and the roles reversed as Landon Hale then scored, assisted by Lord. Joey Jaeger scored unassisted with his trademark powerful shot, followed by Lord assisted by Hale to end out the first period. End of period one, 6-1.

The second period was the “lull” of the game, as Dickinson scored the only goal. The Angels fell into a rut with their game not looking as smooth as we saw in the first. End of period two, 6-2.

Hoping to rally the Angels, Lord scored assisted by Fillipi with just :43 seconds into the third. Back and forth action followed, with the Angels grabbing the only three penalties during the period. Dickinson pulled their goalie with approximately 6 minutes left in the game, allowing Lord to score an empty net goal, assisted by Meyer. Hat Trick for Lord. Dickinson tallied the last goal of the game, for a final score of 8-3. Stewart 15 saves.

Fargo Angels vs. Mandan

Almost 24 hours later, Angels PeeWee A matched up against another Western opponent, the Mandan Mayhem. A slow start for both teams as the players spent the first period sizing each other up. Angels PeeWee A struggled to get any offense going. Mandan scored late in the first period. End of period 1, 0-1.

The second period was mostly ALL Mandan, as seven goals were scored. The Mayhew started things off quickly, with goals at the :10 and :28 mark to start things off. Back to back goals at 3:20 and 3:40 set the tone for the period, with the Angels chasing on only Mandan but their ability to find the back of the net. Andrew Christ scored five minutes in, assisted by Jaeger. Dickinson followed with goals of their own. Foster Lord from Aaron Meyer tallied the second and last Angels goal at 6:50 of the second. A tough period for the Angels. End of period 2, 2-7.

The third period was much like the first. Both teams played hard, trying to get their offenses going, with only Dickinson scoring at the 9:40 mark of the third. Penalties were not excessive for either team, four for Mandan and three for the Angels. Final score. 2-9. Stewart 18 saves.

### **Bantam White – Derek Sunderland/Jessica Wiess**

On Saturday, the Bantam white team traveled to Detroit Lakes. The Angels fought hard throughout the game, but the Detroit Lakes team dominated, outshooting us by 11-49. The game ended with a 0-12 loss.

On Sunday, we played Freeze Maroon in a league game at South High School Arena. The Angels started out strong with 2 goals in the 1st period scored by Dilger & Gallagher with assists by Astrup, Mehus, and Wiess. Freeze Maroon racked up 2 goals of their own. We ended the 1st period tied 2-2. The Freeze added a goal in the 2nd period to make it 2-3. The Angels came back in the 3rd period scoring 3 goals, scored by Dilger and Stimpson with 2, assisted by Astrup and Dilger. Final score 5-3 win!

Angels improve their overall season record to 9-7 and their league record to 6-2.

### **Bantam Red – Steve Cassola**

Coming off of two convincing wins from the Marshall tournament last weekend, Red put the pedal to the metal this weekend with two fine league games against the Fargo Freeze and Devils Lake. Going into Christmas break, Red showed they were a mentally confident squad...

#### Fargo Angels vs Fargo Freeze

The first matchup between these two teams this season proved to be a barnburner! Fargo Freeze opens the fast-paced game with 2 goals potted in the first 5 minutes. Red regrouped on the bench and shut Fargo Freeze down for the remainder of the contest with solid D and committed backchecking. Landon Meier nets the first goal for Red and keeps this end-to-end game in reach and builds additional confidence on the bench. With no scoring in period 2, both teams knew the 3rd would be for all the marbles. More tight play continued for both teams. With only minutes remaining in the third, an opportunity for Red to take a time out and draw up a play presented itself. Coach Christian Berg (pinch hitting for Greg and Christian Hansen) makes the brilliant call...draws the play...L. Meier makes it happen with 1:41 to go in the 3rd for his second of the game sending the game into OT. With 10 minutes of OT, this nail biter, this game is officially in the books as a tie. Grinaker kept Red in the game with an amazing display of poise for 55 minutes of play making 23 saves in a tight one. Fargo Red 2 - Fargo Freeze 2

#### Fargo Angels vs Devils Lake

Team Red was waiting for Devils Lake to visit our barn after a very tough 5-1 loss in theirs earlier in the season. Red was motivated and willing to adapt their normal game plan for one that would plug up the breakout and neutral zone work of Devils Lake. And boy, did Red ever plug em up! First period Red goes up 4-0 with scoring from four different players: Andrew Kanklefritz, Ethan Lantz, Calvin Montgomery, and Landon Meier. A frustrated Devils Lake team took some frustration penalties and Red cashed in with two power play goals. The second has Red netting 2 additional with both Montgomery and Kanklefritz getting on the board again! Red in a great position going into the third up 6-1 and kept Devils Lake at arm's reach for the 3rd. Grinaker was solid and confident with 19 saves. Montgomery leads this charge offensively with 2G and 1A. Fargo Red 6 - Devils Lake 1

Notes: Angels Red goes into Christmas Break with an overall record of 9-5-1 having not lost in their previous 4 games. League record 6-1-1.
