

SG1 Soccer and Katy Premier FC announce Merger

Katy area competitive soccer enhanced

Katy, Texas (June 18, 2018) – SG1 Soccer Club (SG1) and Katy Premier FC (Katy Premier) are proud to announce the merging of the clubs competitive sides under the SG1 banner in order to offer a wide range of playing options to families in the Katy, Texas area. The merger enables the continued growth and enhancement of not only the competitive side of the clubs but new programs will be added to offer every player at every level a more comprehensive and accessible playing experience.

Katy Premier FC President, Mr. Alex Cantu said, “This is an important moment for our clubs. By merging under SG1 we are able to combine talent, resources and experience that will be a benefit to all of our families.” Cantu added “This is a great step forward for our competitive program and we are excited about the new opportunities that this merger will create for so many families in Katy.”

SG1 Director of Coaching, Adam Girdlestone said, “Partnering with Katy Premier is an honor and a wonderful opportunity for SG1. It is also a responsibility that we take very seriously” Girdlestone added, “It’s not simply about enhancing numbers and teams, it is about continuing with our priorities of player development, team competitiveness and accessibility”.

”It is important for us to work with entities that share a common culture and set of values with us. As the club landscape continues to change in Katy, we have been selective about our approach to measured growth. We are honored to have Katy Premier join us and our long term agreement enables us to build a stronger club. Not only will we have a larger number of players and teams but we will also create more opportunities for players who previously had limited exposure to organized, competitive club soccer” said SG1 Club Director, Mr. Alex Parra.
