## LEAD BLOCK

Both teams will be motivated to expel any sour emotions that might be lingering after dropping a pair of heart-wrenching defeats in a matchup between sub-district and Section 1-5A opponents. In Week 1, The Panthers lost to New Prague on a last-second field goal while the Huskies let a 27-20 fourth quarter lead slip away against Mayo. Bottom line, 1-1 feels a lot better than 0-2.
