Renovating Evergreen's Gymnasium!

About the Event:

The Glencoe Youth Basketball Organization generated \$43,000.00 dollars through grants and private donations to have the majority of basketball hoops replaced or refurbished in the Evergreen Big Gym. Prior to the new backboards and hoops being installed, we want to give the entire gym a fresh coat of paint and new graphics and logos. The Evergreen gym is a central hub for GYB activities and we want to have great pride in our home facility! Pizza will be provided for families and children may play in the small gym while adults paint. [Sign up here](#) by registering via the Google Doc link.
