Birth Certificate Requirements for Spring 2021 Registration

As of Fall 2009 the US Soccer Federation has mandated that every player's birth date be verified with a COPY of their Birth Certificate. The Birth Certificate must accompany the registration for players who are new to DASC or have not yet provided a copy to DASC. Proof of age shall consist of a State Certified Birth Certificate, a Uniformed Services Identification and Privilege Card (DD form 1173) issued by the uniformed services of the United States, birth registration issued by an appropriate government agency, drivers license, Board of Health records, passports, alien registration card issued by the US Government, or certificate issued by the Immigration and Naturalization Service attesting to age or certification of an American citizen born abroad issued by an appropriate government agency. DAKOTA ALLIANCE SOCCER CLUB CANNOT ACCEPT HOSPITAL CERTIFICATES OR BAPTISMAL RECORDS. A player cannot be registered until the birth date has been verified with the Birth Certificate.

How Teams are Determined for the Spring Season:

Teams stay together for the Fall 2020 and Spring 2021 seasons. If the player was on a Fall 2020 team, he/she will be placed on that same team for the Spring 2021 season if registered by the registration deadline. If the player did not participate in the Fall 2020 season he/she will be placed on a team in the player's geographical area if registered early.

Games are tentatively set to begin play in early April, 2021 and finish before Memorial Day weekend.

Deadline for guaranteed placement is February 8, 2021.
