"SYC sends out too many emails."

We listened, and we get it. So, we've begun to make changes to the emails that you receive from us. Our intention is to make emails more infrequent and more relevant.

Welcome to "The Torch", our new weekly digest! "The Torch" will include general club-wide emails, fundraising, multi-sport emails, registration information, special events, and more in a single weekly digest every Tuesday. We will discontinue sending the quarterly Torch Newsletter as a separate publication. If you are registered for a specific sport, you will continue to receive individual emails that pertain to that sport.

Please be aware that if you unsubscribe to our emails, you will be opting out of all SYC emails.

*When it comes to your inbox, the message has been received: Less is more.
We welcome your feedback as we continue to make improvements.*

Welcome New BOD Members

We had the largest candidate pool ever as SYC's membership choose new Board of Directors at our annual meeting in May. Congratulations to Linda Cherry; Mark Etchepare; Darryl Hillery; Carrie Moon; and Jay Rouse; who finally prevailed after a record number of voting rounds.

We look forward to an exciting and productive year with these talented volunteers.
