Dear Supporter of Scorpions Youth Volleyball,

The Scorpions Youth Volleyball Club Inc. has been serving youth for 15 amazing years. The club was established in 2010 with the vision of encouraging youth to become more physically active, develop fundamental skills and values, and to build healthy and positive relationships.

Our goal was to create safe, fun and affordable programs for youth of various ages and abilities. With the development of both indoor and beach volleyball, it has provided youth with programs that meet their current skill set and interests, along with guidance and support to push them to their greatest potential.

Not only have we seen the love, passion, dedication and enthusiasm our athletes have for the game, but that growth in parents and the public. This is truly an honor and joy to witness and be a part of.

The Scorpions Youth Volleyball Club Inc. can proudly say we hold the largest indoor AND beach volleyball programs within Waterloo Region and surrounding areas. This is a huge accomplishment and something we take pride in. Without the support of our community, this would not have been possible; so, thank you for being a part of such an incredible development.

Because of your sponsorship individual teams benefit and can thrive by allowing some financial freedom by assisting with keeping some of the additional costs to a minimum. Every sponsorship helps tremendously. No matter the amount, it is appreciated and is 100% put towards the team's financial obligations.

Your generosity and commitment to Scorpions Youth Volleyball Club does not go unnoticed and words cannot express our sincerest gratitude.
