President Report: (Carrie Westrum)

- Athletic Director is putting the wrap for the press box in the budget for next year. He wants to put plexi-glass over it to preserve the life of the wrap.
- Next year, we will be adding a volunteer fee for families of 9-12 football players. Details are still being discussed, but other clubs charge \$200 or 4 hours of volunteer service. Another option may be bringing food for different events. This will hopefully help alleviate the amount of hours some families have to put in and will get more families involved.
- Grade level coordinators need to cc Carrie on emails to families so she has contact information.

Vice-President Report: (Jeanne Tompkins)

- Possibility for 2020 golf tournament
  - We will not be able to use the Dick Hansen name because it associated with a scholarship program which is still in existence. A Burnsville family is willing to donate a car for a hole in one on a certain hole.
  - Need to recruit sponsors for the holes.
  - Need 100-120 golfers.
  - Golf course ideas: the Wilds or Legends
  - Hope is to get alumni and past football families involved
  - We are looking for a committee to get started planning this event if we want to take it on.
- 2019 JV and Varsity Banquet is taking place on Sun. Dec. 8<sup>th</sup> at Royal Cliff in Eagan
  - Looking for someone to help with invitations, programs, decorations, cake, gifts, etc.
  - Contact Varp to see who to invite-12, 11, and some 10<sup>th</sup> graders
  - Laura will order the senior photos from life touch as part of the gift

Treasurer's report
