

IGH TRAVELING BASKETBALL ASSOCIATION SCHOLARSHIP APPLICATION

The IGH Traveling Basketball Association (the “Association”) may provide financial assistance to certain eligible families by reducing a player’s registration fee.

1. In order to be eligible, the player must be a resident of IGH or attend an IGH School.
2. If the registration fee is reduced but not waived, the player’s family is expected to pay the reduced registration fee before evaluations – please note below if you would prefer a monthly payment plan.
3. Scholarships will be awarded at the discretion of the Association and no player or player’s family is entitled to a scholarship, even if eligible. The Association’s decision to award a scholarship may be based on a number of factors, including without limitation, the financial need of the player’s family (which may include the criteria used by the IGH School District and the Free/Reduced Meals Program as a guideline), the funds then available to the Association and the information contained in and the accuracy and completeness of the scholarship application.
4. Scholarships apply to the registration fee only and scholarship recipients are required to pay the required volunteer deposits, uniform fees, tournament gate entry fees and travel costs to and from metro area tournament. In addition, families receiving scholarships are required to complete the volunteer commitments required of all families and may be required to complete additional volunteer commitments.

Name of Parent or Guardian: _____

Name of Player(s): _____ Sex: Male / Female

Home Address: _____

Grade of Player: _____ School Player attends: _____

Home Phone: _____ Email: _____
