

Grand Rapids & GRG Hockey

10,000 Puck Club Challenge

Need something to do this summer? Want to make your game better? Here we go, jump on our GRAHA challenge whether you do it yourself or grab a few friends to join in the fun.

GRAHA is driven to help our players grow and develop and we have our 10,000 Puck Challenge. GRAHA is encouraging all players to participate in this challenge. The challenge is designed to encourage our hockey players to develop great shooting skills as well as recognize the commitment it takes in the sport of hockey.

The Challenge:

The challenge will start on March 15, 2019 and end on September 15, 2019. All players who were a registered player during the previous hockey season qualify. Players must shoot an average and record 100 shots per day shooting. Shots must be documented on the shot tracker sheet, once a sheet is filled, sheets must be emailed to coltersean@gmail.com. We will keep our web page updated on player's progress as they come in!

The Rewards:

Players who shoot 10,000 pucks during this challenge will be recognized on our 10,000 puck club "Wall of Workers" at the IRA Civic Center and on our GRAHA website for the duration of the challenge year. Each participant, hitting the 10,000 shot club, will also receive a GRAHA 10,000 Puck Club T-Shirt.

Our Goals:

Our challenge shall increase shot speed, quickness and accuracy. We look forward to seeing the results as we strive to raise more High School State Championship banners soon! Let the Games Begin.
