2021 Boerne Soccer Club: Board Member Application

Name (print): Steven R. Hahn

1. Briefly describe your involvement in the Boerne community?

Aside from residing in and being a businessman in Boerne,

I'm currently an active member of the Boerne Chamber of Commerce,

an avid supporter of our Boerne Soccer Club. I also volunteer and lead at my local Church weekly.

I am connected with several youth and business network groups and started a local Mountain Biking Group.

I stay connected to my Boerne military community as an active officer for our American Legion Post 313 here in Boerne, where I assist Veterans and their Families. I am also a Veteran of 30+ years, retired from the Army.

I have a law enforcement background; so that lends me to being connected to Boerne, neighboring Counties, and State Police relationships.

2. Please explain your family's involvement with BSC (how many children, how many years, tots/recreation/academy/select/skills, overall experience, etc).

Our son Luka has been in the club since we moved from Germany to Boerne in 2019. Luka has had touch on ball since he was 2.5 years old. He has tried other sports, but soccer is his comfort place. He plays on Select 07; coached by Ryan. Soccer has been part of our lives everywhere we lived. I enjoy coaching youth on the art of Goal Keeping.

3. Why do you want to be on the Board? What contributions do you believe you can make to BSC?

First and foremost, I love soccer, and I really enjoy being part of my community; this makes a perfect combination. I love small town (or village) support of one another and want to promote that as much as I can. I grew up in Germany playing on and supporting our local clubs; later Luka did as well. I appreciate what BSC is trying to do with the club and feel I have some valuable insight from Luka and my years of playing in clubs in the United States, Germany and Italy. I appreciate the idea of setting the conditions for our youth to love the game before mastering the win. I have served on many Boards for business and in the military and find working with others to achieve a high performing system rewarding.

2021 Boerne Soccer Club: Board Member Application

Name (print): Jason McClain

1. Briefly describe your involvement in the Boerne community?

My family has been involved with Boerne Soccer Club since our oldest daughter began playing in the Rec program in 2011. I have volunteered as an Assistant Coach and my wife Kelli has served as Team Manager for both of our daughters' teams. We love living in a close-knit community like Boerne and believe that volunteering our time to an organization like BSC is a great way to support the community in which we live.

2. Please explain your family's involvement with BSC (how many children, how many years, tots/recreation/academy/select/skills, overall experience, etc).

My wife Kelli and I have two daughters, Grace (16) and Claire (12). They have both participated in the Rec, Academy, and Select programs at BSC since 2011. I have volunteered as an Assistant Coach for Claire's Rec team and have served on the Board of Directors for the past two years. Kelli has served as Team Manager for both of the girls' teams for the past two years as well. Finally, in addition to playing soccer, Grace has volunteered as a Rec coach for the past three years and has helped out with various BSC summer camps for the past few years.

3. Why do you want to be on the Board? What contributions do you believe you can make to BSC?

I think youth sports plays an important role in molding our children into becoming responsible and productive adults. This belief has and continues to be a driving motivator for my involvement with BSC. Having served on the Board for the past two years, I believe the club is headed in a positive direction and would be honored to continue serving to support the club's continued growth and success.

2021 Boerne Soccer Club: Board Member Application

Name (print): Renee Munn

1. Briefly describe your involvement in the Boerne community?

I have lived in Boerne for the last eight years. I have three sons attending Boerne ISD with one son that has already graduated. We are active members in a local Boy and Cub Scouts' organization. We regularly participate in service-oriented projects to give back to the community. I also work for Boerne ISD as a Director of Early Child Education with a focus on improving student outcomes through program development, professional development and support for elementary teachers, instructional coaches and campus leaders.

2. Please explain your family's involvement with BSC (how many children, how many years, tots/recreation/academy/select/skills, overall experience, etc).

For the last seven years some of my boys have played for BSC. They have played in recreational, academy and select. I have been the 2007 NB's team manager (academy then select) for the last six years. I organize all our special events and collection of fees (ex. tournaments), parent communication, scheduling games, submitting game results, and managing our database of information in Team Snap. This year I also help with tournament registration and ensure our rosters are up to date for the 2011 NB's Academy team. I can be found at our soccer fields four nights a week during the soccer season. This club, these players, our wonderful parents, we are each other's extended families.

3. Why do you want to be on the Board? What contributions do you believe you can make to BSC?

As a board member, I would strive to help BSC make decisions that support the mission of developing ability and character of our players in a fun and safe environment. I have regularly been asked to provide input and feedback about the club with the leaders being very innovative in thinking and constant seekers of strategies to improve the experience for our players. I love this organization, the communication and commitment of the BSC leaders. I seek to help support them so they may continue to provide high quality coaching and leadership.
