As we head into the 2020 ball season, we are looking for businesses like yours to benefit by becoming Team Sponsors, Website Sponsors, and Project Sponsors for our non-profit youth baseball and softball organization.

TEAM SPONSORS

Our primary purpose for this letter is to find team sponsors. A donation of \$300.00 makes your business the team sponsor for a baseball or softball team. With this sponsorship your business name will be on the team's uniform shirts, which the players keep at the end of the season. We also add your business to the banner posting during at Moyer during the season, and at the Portage County Fair. As a team sponsor you will receive a plaque with the team photo to advertise your contribution. This sponsorship is a perfect opportunity to advertise your business throughout Portage County and surrounding areas, and to help support youth sports in our community.

PROJECT SPONSORS

If your business would rather not sponsor a team but would still like to take advantage of advertising through Waterloo Youth Baseball & Softball Association, a donation of another amount will be greatly welcomed. These donations will help us complete a few projects around the ball fields this year. We would welcome a fencing sponsorship if you're able, but any portion your company can donate will help.

Please reply with your donation and the 2nd page of this letter or register online by **Feb. 28th**. We thank you for your continued support of WYBSA and all the young ball players.
