

Club Velocity Volleyball is a member of the United States Volleyball Association and participates in travel tournaments throughout our region. We have been a part of Greenwood since 2009 and have served more than 1,000 players within the River Valley. Our goal is to develop the holistic athlete through the life lessons that the sport of volleyball teaches. In order to make this process more affordable for our parents we offer fundraiser opportunities. This year we are doing the Cash Calendar fundraiser in hopes that our players could raise up to \$455 that would be directly deposited into their accounts. All but \$10 donated to our athletes directly benefits them (\$10 from each participant goes towards a grand prize of a Visa gift card worth \$500). For every \$10 donated, the donors will be entered into a drawing for a grand prize gift card. Thank you for your consideration in giving to our athlete.

Sincerely,

Tanner Gilliaum & Kaitlyn Mixon
