

**BUFORD HIGH SCHOOL
ATHLETIC DEPARTMENT**

Dear Parent,

There are several medical forms (found at www.bufordwolves.com) for items listed below that need to be completed and returned to your head coach, should your child meet any of the following medical conditions:

1.	Medication Needs	All medication (prescription & nonprescription) must be taken directly to a certified coach/school official for safe storage during the after school athletic activity.
2.	Allergy Medical Action Plan	Students with an Allergy must have an Allergy Medical Action Plan on file with your student's head coach.
3.	Asthma Authorization for Self-Administration	Students with Asthma and wish to carry asthma medication for self-administration must a consent form signed and on file with their athletic head coach.
4.	Diabetes Medical Management Plan	Athletes with Diabetes must have a Diabetes Medical Management Plan on file with their head coach.
5.	Seizure Management Plan	Athletes at risk of Seizure must have a Seizure Management Plan on file with their Head Coach.

These forms may be found on the Buford Wolves Athletic website (www.bufordwolves.com) or you may request any of these forms through your son/daughter's head coach or through Coach Chris Demaline, our Head Athletic Trainer, at chris.demaline@bufordcityschools.
