## 2026 GRAD JACK GLANCEY

[MNBA.BLIZZARDELITEBASEBALL.COM](http://MNBA.BLIZZARDELITEBASEBALL.COM)

@BLIZZARDBASEBALL

Passion, intensity and one huge smile is an easy way to describe Jack Glancey. He is one of those kids that has been with the Blizzard since he started playing organized baseball and I don't see that changing as he has a couple years left with the boys in Blue. Coach Barta had the following to say, *"I have coached Jack since he was 8-years old and he always had that big smile on his face. His parents are awesome and his sister, Jane, has been a big supporter, even though she always owes me candy!"* Sounds like these final couple years will provide opportunities for Jane to settle the candy debt and continue to cheer on Jack.

This past year he started off the year with a bang as Jack went 6-7 (hitting for the cycle) in his first freshman game of the year at Mounds View. The next day he got a start on Varsity and hit a HR in his first at bat. You could say the momentum of a quick call up to varsity carried right into the tough Blizzard summer schedule and again into the fall season.

Jack comes at you from the left side and can provide a punch at the plate. He is truly fun to watch as his emotion pours out of him whether it is a big play in the field or a base hit at the plate. There is nothing wrong with concealing emotion, but boy can Jack fire his team up with a big knock. In Vegas not only did Jack hit a mammoth bomb to right center in the semi-final contest but he also threw 6 solid innings of the Championship allowing a single run. Coach Barta added *"Jack has taken on many different roles, but his ability to pull the ball with some pop has added depth to a potent 2026 line up. His defense in the outfield has really improved and he has given us some quality innings that have been really meaningful in some of the deeper tournaments we play."*

As Jack continues to grow and develop physically the sky is the limit as he enters his sophomore year, and another tough summer schedule awaits Jack and his Blizzard teammates.

## Q&A with Jack Glancey - 2026 Mounds View High School

How many years with Blizzard? **Been playing Blizzard for 8 years, starting in the spring when I was 8 years old.**

What is your favorite memory from this past fall on the field? **Winning the Championship in Las Vegas and getting the start on the mound.**

What is your favorite memory from this past fall away from the field? **Hanging out with the guys during the travel tournaments at the hotel or going to the strip in Vegas.**

Favorite tourney of the year? **Definitely the National Championships down in Georgia this past summer. Something about being with your teammates and playing baseball for a week is just awesome and I will never forget how much fun we had that week.**

What coach at Blizzard has impacted you the most and why? **Eddie Gerald**. He is one of the coolest guys I have ever met and the two of us have been together since I started with Blizzard. I remember when I was 10 years old working with Eddie at the academy and I couldn't help it but just smile whenever he helped me improve on something I was struggling with. He still makes me laugh and smile to this day and I thank him for being not just a coach but a great friend.

Favorite baseball movie? **The Sandlot** | Favorite MLB team? **Twins** | Favorite concession item? **Hot dog and Gatorade** | Fun fact about you? **Huge Justin Bieber fan**
