Personal Background \*

I am a parent and wife to hockey! My son is U14 and my husband lives at various rinks ;) I would probably be skating too if Boss was open when I played field hockey instead! We are SRI members for many seasons (4th as travel). My family lives in Richmond and we are true New England sports fans!

Hockey / Youth Sports Philosophy \*

I believe that team sports provide a place for kids to learn important life skills such as communication, sportsmanship, appropriately handling defeat/triumph, helping others, and self confidence. Hockey provides this in particular through a close locker room and bench, a very lengthy season and numerous hours on the ice together. Importantly- There is no I in Team!!

Credentials \*

I have been employed in local/state govt 30+yr, working well with others through internal discussion, interagency cooperation and public outreach/meetings. I have been a member of the Chariho PTO & SIT committees for several years, helping the District with whatever needs arise. I was Team Manager for the past two 12C hockey seasons and frequently volunteer to help with SRI needs including the dreaded clock!

Other Relevant Information

I believe it is important for those new to SRI to have someone to listen to/offer guidance as they navigate the early years of RI hockey(particularly travel). I also believe SRI should continue to expand girls hockey opportunities. If elected, I look forward to further serving the SRI community and thank you for your consideration.
