## 2019 PROVINCIAL VOLLEYBALL

This information will include all preliminary material that teams need for the volleyball playoffs leading to the provincial championship. Templates and information are found in the SHSAA handbook and on the volleyball activity page of the SHSAA website <http://www.shsaa.ca/page/show/992566-volleyball>.

- **Seeding** conference, regional, and provincial tournaments is important to the success of the events. **Form E-16** can be found at: <http://www.shsaa.ca/page/show/968456-forms-and-due-dates>. All teams **MUST** submit the results of their season to the **SHSAA office by October 23, 2019**. Include results of all matches played up to that date. Games played after the due date may be submitted to the SHSAA office to be used in the seeding process.
- All provincial tournaments (1A – 5A) will follow the ten-team 2 pools – 2 courts schedule found in the SHSAA handbook or at: <http://www.shsaa.ca/page/show/1208351-provincial-volleyball-championship-draw-template>. Some modification of the draw times may be necessary to accommodate host plans. The SHSAA office must approve changes to the draw.

- **Results** for conference, regional, and provincial events will be posted on the SHSAA website (<https://www.shsaa.ca/page/show/1084069-shsaa-volleyball-results>) as the events occur. Immediately following conference and regional tournaments, the host sites are reminded to notify the SHSAA office of the teams that will be advancing to the next level of playoff.

### PLAYOFFS LEADING TO THE PROVINCIAL CHAMPIONSHIP:

#### CONFERENCE CHAMPIONSHIP

All teams registered for volleyball will be placed in one of three (3) regions for classifications with 54 or less teams. For classifications of 55 teams or more, distribution of teams will be into four (4) regions. Regions with nine or more teams will be divided into conference tournaments as determined by the SHSAA office with two or more teams advancing from each conference tournament to the regional tournament. Regions with eight or fewer teams entered will advance directly to a regional playoff with no conference playoff conducted.

***The projected conferences and regions have been listed later in the newsletter and on the SHSAA website. The lists are according to last year's entries in the playoffs and will be subject to change based on registration and enrollment of teams this year. The District designated to host will need to declare a host school and notify the SHSAA office.*** After September 30, 2019, enrolment declarations are to be completed by the school; schools that change classification will be placed in an appropriate conference or region.

Conference playoffs will consist of one of the following draws: **less than six teams** – the conference tournament will consist of a full round-robin tournament with no playoff round. The **six-team conference** tournament will consist of two pools of 3, with the top two teams from each pool advancing to the playoff round. All of these conference tournaments will be played as one-day events. A **seven or eight team conference** tournament will consist of two pools, with the top 2 teams in each pool advancing to the playoff round. These conference tournaments will be played as 1.5 day events. Details for the various draws will be listed on the SHSAA website <http://www.shsaa.ca/page/show/1007542-conference-draw-templates>.

In the 1A – 4A classifications, conference playoff for girls will be held on November 2, 2019. Conference playoffs for boys will be held on November 9, 2019. ***Districts/Schools wanting to host on a different date must first contact the SHSAA office to seek further direction.*** In the 5A classification, no conference playoffs will be held and all teams will advance to either the city league playoff or the north/south regional tournament to determine the provincial representatives.

## REGIONAL CHAMPIONSHIP

Conference tournaments will advance two or three teams, as previously noted, to the regional level of playoffs. Regional tournaments, in most instances, will be six-team tournaments in two pools played in one day, with the top two teams from each pool advancing to a playoff round that will determine the teams to advance to the provincial tournament. In some instances, when a conference playoff is not necessary, the regional will be conducted as designed by the SHSAA office to determine representatives to advance to the provincial tournament.

### REGIONAL DATES:

Each District is responsible to ensure a host for the regional event has a suitable venue and tournament committee. The District designates a host from the schools that advance to the regional playoffs. In the event that a District does not have any teams that qualify from the conference playoffs, the SHSAA office will select the regional host site from the qualifying teams.
