

Oakdale Athletic Association Request For Scholarship

In an effort to provide opportunities to all youth eligible to participate in activities available through the Oakdale Athletic Association (OAA), scholarship funds are available to assist families that may not be able to afford the fees for our programs. In order to receive scholarship support, the following requirements must be met:

- Scholarship recipient must be eligible to participate in OAA activities. One per person per season.
- Family must be OAA members in good standing (e.g., no outstanding payments due).
- Parent/Guardian must agree to be an active participant in the OAA activities by assisting in events that are sponsored. (concession stands for tournaments, Oakdale fun day tent, etc.)
- OAA traveling programs: maximum scholarship award is limited by the cost of the equivalent in-house program.
- Parent/Guardian must submit this completed form by the submission deadline and demonstrate financial need. **Submission deadline is 2 weeks prior to the close of registration for the activity.**
- Scholarship recipients cannot purchase league t-shirts, sweat shirts, etc. in lieu of receiving a scholarship. Such funds must be directed to payment of participant fees before apparel.
- Parents may also use the TAYE process in order to cover costs of these programs. For more information please see the TAYE website (www.tayemn.org).
- **Proof of income is required to be considered.**

Failure to comply with these guidelines or to provide accurate information on this form will result in immediate denial of scholarship eligibility or revocation of an existing scholarship at the sole discretion of the OAA.

(Please print neatly when completing this application)
