

2025 Bengals Report

Tryouts for the 2025 season saw about the same numbers as last year, cuts were necessary in all age groups.

We were able to roster one team for U7, U9, U13, U17, U22 and two teams for U11 & U15. Our #2 teams also played house league.

For the first time we had a girls box team. The girls worked hard and really developed their lacrosse skills. With a great coaching staff they had a great first season. We hope to grow the girls program adding more age groups.

We made the move to a back to the Holiday Inn for all of the teams for Provincials. The general consensus is that it was a good hotel and centrally located between most of the rinks. The hotel staff is good to work with. I would recommend booking this hotel for next year as well, as it seems to be the best price.

I recommend looking at how we book hotels for teams for tournaments. A lot of time is spent looking for and securing contracts with hotels and I found that teams did not book with the hotel that was secured. This creates issues when the hotels have blocked rooms off for us and we did not fulfill our contract. I had to deal with a number of upset hotels managers this year.

We had a few teams make it out of round robin at Provincials. A big congratulations to our U15 team for their "B" division championship win & our U17 team for their "B" division back to back championship win.

A big thank you to our coaches, trainers, and managers for a great season. We would not be able to do any of this without you.

Shawna Dolman
Bengals Director
