

Junior Spartan Football Mom's Night Out

March 4, 2020 from 5:00 pm to 7:30 pm

**Parkside 23
2300 Pilgrim Square Dr.
Brookfield, WI 53005**

Please join the Junior Spartan Football Organization for a complimentary night of food, drinks, and all things football.

One of the most frequent concerns families have about the game revolves around injuries and concussions. No parent wants to put their child in harms way and there is an understandable concern when it comes to allowing athletes to play tackle football.

The Junior Spartans decided to create an informational night where Moms can come and hear experts and speakers discuss how we, as an organization, are keeping your athlete safe.

During the evening you will hear from Dave Keel from USA Football, have an opportunity to talk with coaches, board members, and Moms who have children in the program. The goal is to have a comfortable environment to ask questions that otherwise, some may not be able to ask.
