TELLING THE STORY

"Borrowed" from The Royal York Hockey Programme.

A LETTER BY "YOUR SON"

There are dozens of other ways in which a parent gets into the act and all of them can be best summed up in this fictitious letter riddled with truths. It was submitted by Russ Chappell but he's writing it as "Your Son."

Dear Mom and Dad:

I hope you won't get mad at me for writing this letter but you always told me never to keep back anything that we ought to bring up.

So, here goes. . . Remember the other morning when my team was playing and both of you were watching? Well, Mom and Dad, I hope you won't get mad at me but you kinda embarrassed me.

Remember when I went after the puck in front of the net trying to score and fell? Well, Mom, I could hear you yelling at the goalie for getting in my way and tripping me. Shucks, it wasn't his fault, that's what he's supposed to do.

Then do you remember yelling at me to get on the other side of the blue line? Well, Mom I just didn't know what to do because the coach told me to cover my man, and I couldn't if I listened to you, so while I was trying to decide what to do, they scored against us. Then you yelled at me for being in the wrong place.

But, what really got me was what happened after the game. You should not have jumped over the coach for pulling me off the ice. He's a pretty good hockey coach and a real swell guy and he knew what he was doing. Besides, he is just a volunteer, coming down at all hours of the morning, helping us kids, just because he loves sports.

And then neither of you spoke to me the whole way home. I guess you were pretty sore at me for not getting a goal. I tried awfully hard but I guess I'm a lousy player. But I love to play hockey. It's a lot of fun being with other kids and learning to compete in a real good sport.

But gosh, Mom and Dad, how can I learn if you don't show me a good example? And, anyhow, I thought I was playing hockey for fun; to have a good time; and learn good sportsmanship.

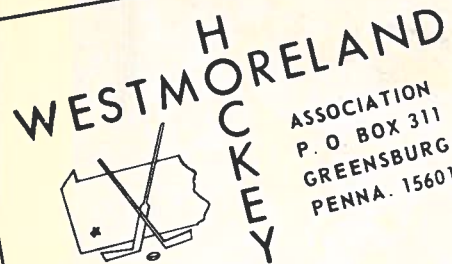

I didn't know you were going to get so mad when I didn't become a star.

Love,
Your Son

TO ALL PARTICIPANTS:

This is our fifth annual "Laurel Hockey Tournament". On behalf of the Westmoreland Hockey Association we welcome you and thank you for coming.

We hope that the next few days will be an enjoyable experience for you. In the past, visiting parents and players have left Greensburg with the feeling of having been part of a well planned, very competitive but fun-filled tournament. This year promises to be no exception.

Knowing the difficulty and endless hours involved in arranging this weekend, we extend a special "thank you" to all persons involved. Their tireless efforts are appreciated by all of us.

Sincerely,

The Officers
Westmoreland Hockey Association

TO
ALL GREENSBURG COACHES:

Our deepest and sincere thanks to all the Greensburg Coaches for the time and help you have given our players in the 1975-76 season. The program has come a long way this year and we are deeply indebted to you.

The early morning practices, the evening practices, games at home, games away, missed meals, and even late ones—has meant time away from your own families. We, as parents of the players, realize how dedicated you are to the program. This is our way, and also the players way, of saying a richly deserved "Thank you" from all of us to all of you.

Sincerely,
WESTMORELAND
