### Reports:

President's Report: Mindy

Mindy updated everyone on sponsorships. She said we lost a few sponsors but with the increased sponsorship rates we are anticipated to make between \$40,000 to \$45,000.

Old Business: Mindy

We are still in need of a new concessions stand sign. The person we reached out to previously, is not able to help so Mindy will reach out to Henze Signs. She would like to have sign made with a large menu on it.

Treasurer's Report: Kellie

The current budget and proposed 2022-2023 budget was passed out and is attached. Kellie noted that the 2 refrigerators and the football helmets were paid on this year's budget. The wifi hotspot for concessions is ready to go be tested to make sure it is working properly before the next game. Concessions will have credit card only and cash only lines. It needs to be decided if soccer will take credit cards at their concessions.

Mindy discussed the attached 2022-2-23 budget and made a motion to approve it. Kim seconded it and it was unanimously approved.

Volunteer Coordination: Kim

Football and Cheer has a lot of parent volunteers. The September 15 Boys soccer game needs volunteers and so do several other games. Kim encouraged everyone to spread the word about volunteering for concessions.

Merchandise: Robyn for Lisa

Sales have been busy and will slow down soon. The upcoming Hawaiian themed Swarm shirts will have Ella Strong printed on the sleeve. Ella, who attends Urbana HS and is the sister of a former student is battling cancer. The Booster club will collect donations and will donate to a cancer organization that the family works with.

Concessions: Danielle

Concessions made \$238.00 last week. Mallick will donate a palate of water to concessions. Danielle met with Barbara, the DSA president, to discuss the use of concessions during DSA games. Mindy noted that Football game concessions is the priority since those games bring in the most money. Danielle noted that she would like to use the Sam's Club cash back rewards to have a volunteer gathering.

Communications: Tara

Tara is updating the website as needed. Winter sports tryouts start Nov. 15 and spring sports start March 1, 2023. These dates will be added to the website.

Fundraising: Leander

October 9 is the date for mini family photo sessions and October 23 is the rain date. A Sign Up Genius will go out to the community soon with all the details about reserving a time. Leander and Kellie will meet to discuss payment details.

New Business: none

Administration: Cliff

Cliff noted that the weight room needs new equipment. He talked to three other area high schools. One had the school pay the entire cost. The second school paid half the cost and fundraised for the other half of the cost. The third school fundraised the entire cost of new equipment. Cliff is looking into all options and will focus on this as the new equipment can easily be moved during any renovations. Cliff also reported that the new Athletic trainer is working out well.

The meeting was adjourned at 8:15pm.
