

## Legacy Football Fundraising 2021

**Our Commitment to Fundraising:** The coaches of Legacy Football strive to provide the safest equipment for players and plan extensively to ensure these athletes have a high-quality high school football experience. Because the district doesn't supply the funds needed to support our program, Legacy Football Boosters were created by the coaches and parents to fill that void.

The anticipated budget this season is around \$70,000. This breaks down to approximately \$700 per player and reflects a reduction of 12% from 2020. Funds contributed to the program are used for coaching, game film, and gear as needed. It helps provide salaries, especially for our Freshman Team coaches (our fundraising pays for 3 additional coaches- the district only pays for 1) and a strength and conditioning coordinator.

### 2021 Expense Per Player

Each player is asked to contribute \$700 to the program. We know that each family has different circumstances: some fundraise everything, some write a check. Your support is needed no matter how it is raised. We want everyone to play. Contact your class rep to discuss your financial and fundraising needs.

### Legacy Football Trip 2022

Legacy Football will take an out-of-state trip in Fall 2022. The cost of the trip will be approximately \$1400. Players may begin fundraising for the trip now. All funds contributed beyond the \$700 annual player expenses will be applied to the player's trip fund, which will be carried over until June 2022 when the trip will be paid in full. Registration for the trip will open soon.

### Getting Started

Register your player here: [2021 Registration](#). You may contribute \$700 in full or set-up a payment plan with an initial deposit. You may then spread your payments out monthly. You may also choose to fundraise. At any time, your account can be credited fundraised dollars and registration payments will cease or be refunded.

Players can also approach businesses in our community for sponsorship and offer the opportunity to promote their business with signage and advertising in a professionally printed program book. Players receive 80% of the donated amount and the remaining 20% will be used for advertising costs for business.. Invite potential sponsors such as local dentists, orthodontists, restaurants, realtors, landscapers, personal trainers, local gyms, etc. to donate by choosing from multiple sponsorship levels ranging from \$100-\$2500. In exchange we will offer multiple advertising options. See the details at [2021 Legacy High School Football Sponsorship \(sportngin.com\)](http://2021.Legacy High School Football Sponsorship (sportngin.com))

**Restaurant Nights-** Team fundraising is not only a good way to raise money but it allows players and families to get together outside of school. Each month a different restaurant will host a "DineForDollars" and donate a portion of sales back to the team. Emails will notify you where and when each month. Come join when you can!

**Amazon Smile:** This is an "all team" fundraiser, which means all proceeds go to the general program and not individual accounts, but your participation keeps our individual player fundraising goal low. AmazonSmile is a website operated by Amazon that lets customers enjoy the same wide selection of products, low prices, and convenient shopping features as on Amazon.com. The difference is that when customers shop on AmazonSmile ([smile.amazon.com](http://smile.amazon.com)), the AmazonSmile Foundation will donate 0.5% of the price of eligible purchases back to our team's non profit account.
