

MYSA Annual Awards Nomination Information

Minnesota Youth Soccer needs to be able to fairly and carefully consider all nominations. To do so, it is essential that all submitted material is complete. The online form and these instructions were developed to assure that the process is equitable and that all necessary information is available for review on a timely basis. Thank you for your understanding. The nomination form must be submitted by Friday, September 27, 2019.

Things to know before you begin:

- Once you start you will not be able to save and continue later
- Collect the nominee's phone number, email address and address
- You will be asked to provide a detailed response for three questions
- You may upload a maximum of three referral letters
- Not answering the nomination questions or filling out the form entirely could lessen the chance of the nominee receiving the award.
- Nominations are only accepted online
