

Lindsay Law Form

As you may have heard, there has been a new law passed in Ohio, Lindsay's Law, that requires all youth athletes, parents/guardians, and coaches to annually complete a set of requirements prior to participating in any organized sports activity.

Lindsay's Law

Lindsay's Law, Ohio Revised Code [3313.5310](#), [3707.58](#) and [3707.59](#) went into effect on August 1, 2017. In accordance with this law, the Ohio Department of Health, the Ohio Department of Education, the Ohio High School Athletic Association, the Ohio Chapter of the American College of Cardiology and other stakeholders jointly developed guidelines and other relevant materials to inform and educate students and youth athletes participating in or desiring to participate in an athletic activity, their parents, and their coaches about the nature and warning signs of sudden cardiac arrest.

The following resources were developed to assist with the compliance of Lindsay's Law:

Ohio South is aware that many teams are in the process of registering for competition, or have already been activated and approved to play. At this time leagues, clubs and tournaments must have their members/participants do the following:

Parents/Guardians

- Watch [Required Video](#)
- Download and/or be handed the [SCA Informational Handout](#)
- Sign the [Required Signature Form](#)

Athletes

- Sign the same [Required Signature Form](#) that your parent/guardian has signed

Coaches

- Watch the [Required Coach Video](#)
- Download and/or be handed the [SCA Information Handout specifically for coaches](#)

This is to certify that every parent/legal guardian, coaches and participating athlete has completed the aforementioned requirements within their respective league and state organization.
