**14U, 12U, 10U  
DIVISIONS**

**MARCH 7-10, 2024**

March 7, 2024

On behalf of the Girls’/Women District of Massachusetts Hockey it is my pleasure to welcome you to the 10U, 12U, and 14U divisions of our State Tournament. The district wants to thank our hosts the New England Sports Center for making their facility available to us so we can house all divisions in a central location and allow girls’ hockey players and fans to watch their friends compete as they do.

The events of this weekend would not be possible without the dedicated work of the many volunteers in who represent the Girls Tournament Committee and have put in countless hours in the organizational process: Karla Aguirre, Colleen Fagan, Peter Giuliano, Jen Glynn, Christopher Gong, Paula Gray, Chris Holden, Rachel Hutchinson, David Hymovitz, Bob Joyce, Michelle Lissner, Don McNeil, Jay O’Neil, Mindy O’Neil, Dave Pelletier, and Deb Pond.

We wish all our players and coaches the best of luck this weekend as they compete towards the state championship. To those teams fortunate to advance to the USA Hockey National Tournament we wish you the best of luck as you represent Massachusetts Hockey.

We expect everyone who enters the New England Sports Center for our event will be respectful of the players, officials and other spectators who are here to enjoy this event. We expect that spectators will be an encouraging voice for their own team and refrain from any comments directed towards the on-ice official or players on other teams. If you cannot meet these expectations, you can and will be asked to leave the facility under USA Hockey’s Zero Tolerance Policy.

**Results of the weekend can be found on posters on site at the New England Sports Center, at the Massachusetts website: [www.mahockey.org](http://www.mahockey.org), and can be followed on Twitter: [@MassHockeyGirls](https://twitter.com/MassHockeyGirls).**

Sincerely yours,

Mark Lissner  
USA Hockey Associate Registrar – Massachusetts Girls/Women

## HOME OF MASSACHUSETTS HOCKEY STATE TOURNAMENTS

			
<b>ANYWHERE, ANYTIME</b>	<b>PRO-LEVEL ACCURACY</b>	<b>CONSISTENT. EVERY TIME.</b>	<b>EASY AND SAFE</b>
