### Coaches Comments

- 79 coaches were at the College Showcase. It went really well.
- Had our last max out. This is the strongest group in a long time. 22 kids in the 700# or higher club
- Averaging 50-60 kids per month for lifting
- Summer lifting will be at Evening St. Elementary but we need to be out of there by 8/1.
- May 23 they will install a floor for us in the gym at ES.
- We can fit 10-12 racks in their gym. If we can't get 12 racks in the gym we will need to add 45 minutes to the summer schedule each day.
- Will need help moving equipment to ES.
- First few days of summer lifting will be a trial for how long it will actually take so pick-up times might be off.
- For our home games next season the district is thinking about having players park at the WEC, have the team meal, and then get shuttled over to the stadium to open up parking spaces.
- The district wants us to have our tailgates at the WEC.
- 2 teams have been confirmed for 7x7's during our team camp
- The 2024-2025 school start date is after labor day but bussing for students in extracurricular activities will be provided before labor day.
- New weight room should be open at the beginning of August, if it is not then we will have 1 month without access to a weight room.
- 105 kids rostered.
