

Red and Black Night

This night is to bring in the new basketball season for our entire basketball program. It is also a night to remember our history. In 1861 a honorable group of young men volunteered and formed Company B of the 1st Minnesota Regiment. This group became a unit that served with great distinction during the Civil War.

When these men left Stillwater for Fort Snelling, they wore red wool shirts and black wool pants.

Stillwater School has honored these men by selecting red and black as our school colors, as well as our school nickname the "Red and Black" for a period of time in our early history.

As we bring in this new season, we should be proud of these school colors and we should be proud of all the men and women from Stillwater who have served our country.

Our "Red and Black Night" is something that our **WHOLE** basketball program will take part in. We are one program and each level should come and support one another. We will end the night with our Varsity inter-squad scrimmage. Bring family, friends, or anyone who wants to be around Stillwater Pony boys basketball!

PLEASE ENCOURAGE ALL FAMILIES TO STICK AROUND TILL AFTER THE VARSITY SCRIMMAGE. WE WILL HAVE AN ALL PROGRAM PICTURE THAT WILL BE TURNED INTO A BANNER IN THE GYM.
